

The image shows a hand-drawn illustration of a smartphone screen. At the top of the screen is a status bar with icons for Wi-Fi, cellular signal, battery, and the time 0:00. Below the status bar is a large, stylized illustration of a baby's face with blue hair, smiling and holding a blue heart. Underneath the illustration, the text "BABY MONITOR" is written in blue, followed by "Virtual Nurse of your child" in a smaller blue font. Below this, there are two input fields: "Email" and "Password", both with blue borders. A red checkmark is drawn over the "Email" field. Below the "Password" field is a blue button with the word "Login" in white. A red circle is drawn around the "Login" button, and a red arrow points from the "Password" field to the button. At the bottom of the screen, there is a link that says "Haven't registered yet? Register now" in blue text. The entire screen is framed by a thick black border representing the phone's bezel.
